

## **Biographical Information**

### **Marwan Salhab**

Marwan Salhab comes from Beirut in Lebanon. He is married to Nabiha and they have three children, Ramzi, Kareem and Taleen.

Marwan graduated with a Bachelor degree in Mechanical Engineering from the University of Teesside Polytechnic – Middlesbrough –Cleveland – England in 1982. He also graduated with a Masters Degree in Business Administration from the American University of London in 2003.

Since January 2004, Marwan has been employed with Millennium Development. He is currently the Director of Finance and Administration with responsibility for all functions relating to Finance, Human Resources and Information Technology. His primary role is to ensure that the financial position of the company is secure with strict control on expenditure and budget control. Additionally, ensuring that all departments' needs are met in terms of staff and other requirements. Developing the policies and business plans to implement are also an important role of his work as this is being conveyed to the Board of Directors of Millennium.

Prior to joining Millennium, Marwan held the position of the General Manager for Newfab in Riyadh, Saudi Arabia for the period from January 2000 till March 2004. As the general manager, his duties were to foresee the overall operations of the company. Newfab is mainly involved in the manufacturing of prefabricated houses. Business planning and budgeting were the most important items of his work.

He worked also as a project manager at Lend Lease Corporation from August 1989 to July 1998. During his work at Lend Lease Corporation in Sydney, Australia, he received a number of awards for project completions and innovations.
